SUMMARY

Third-year B.Tech student in Artificial Intelligence and Machine Learning at Birla Institute of Technology, Mesra, with a strong foundation in full-stack web development and programming. Skilled in building and deploying end-to-end web applications and exploring machine learning models. Quick learner with a growing interest in applying AI to practical, real-world problems.

EDUCATION

Birla Institute of Technology, Mesra — B.Tech, Artificial Intelligence & Machine Learning	2024 – Present
BSEB, Patna — Class 12th	2021 – 2023
Don Bosco High School, Siwan, Bihar — Class 10th	2020 – 2021

TECHNICAL SKILLS

Languages: C, C++, Java, Python, JavaScript, SQL

Core CS: Data Structures & Algorithms (C++), OOPs

Web Development: HTML5, CSS3, Bootstrap, Node.js, Express.js

Concepts & Tools: Machine Learning, REST APIs, Git, GitHub

Databases: PostgreSQL

PROJECTS

Blogging Website — Bharat Diaries 2026

Node.js, Express.js, PostgreSQL, EJS

- Built a full-stack blogging platform with secure user authentication, session management, and category-wise blog filtering.
- Designed dynamic blog rendering and a responsive glassmorphism UI; deployed live using Render and Neon PostgreSQL.

Amazon Clone 2025

HTML, CSS, JavaScript

- Developed an e-commerce platform clone with product listings, navigation bar, and shopping cart interface.
- Implemented a fully responsive design across devices.

Weather Forecast Website 2025

HTML, CSS, JavaScript, REST API

- Built a real-time weather application with live API integration displaying temperature, humidity, and wind speed.
- Designed a clean, user-friendly interface with smooth navigation and interactive elements.

Portfolio Website 2025

HTML, CSS, JavaScript

- Developed a personal portfolio site to showcase projects, skills, and achievements with a front-end focus.

Railway Ticket Confirmation Predictor (In Progress) 2026

Python, Machine Learning

- Building a machine learning model to predict the probability of a waitlisted/RAC railway ticket getting confirmed based on historical booking patterns.

CERTIFICATIONS

- Complete Full Stack Web Development — Udemy
- Machine Learning — Udemy
